RE: M-1993-050 Dellacroce Pit
Amendment to 112 Permit (AM-02)
Response to April 22, 2019 Second Adequacy Review

Dear Mr. Cazier,

The haul road in through the released acres will remain in the affected and permit areas. The haul road will be reclaimed as approved in the current permit after mining is completed. Please find the enclosed revised Exhibit C.

Please feel free to contact me directly with any further questions at eai@bresnan.net or 719-275-8951.

Respectfully submitted,

Angela M. Bellantoni Ph.D.
