**RE: Stocks Clay Mine, Permit M-1977-324;
Corrective Action Resolved**

Dear Mr. Welte,

On April 26, 2019, the Division received a pdf file via email containing the following:

- a) Google Earth map, displaying the outline of the affected area and the locations of boundary markers,
- b) A table of the GPS coordinates for the affected area boundary markers, and
- c) A photograph of boundary markers, representing the type of markers placed at all listed boundary marker locations.

The Division considers the required corrective action resolved.

If you have any questions or need further information, please contact me at (303)866-3567 x8169.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
