RE: M-2000-016 Technical Revision No. 3

Dear Mr. Hays:

Please accept this letter as our request to extend the decision date from May 1, 2019 to June 1, 2019 so we can submit final approval from CDOT and FHWA to you prior to you approving this technical revision. 100% plans have been approved and permit should be issued in the next few weeks. Feel free to contact me (970-407-3631) if any additional information is needed.

Sincerely,

A handwritten signature in blue ink that reads "Julie Mikulas".
