Agency Comments**

Dear Mr. Huddleson,

Due to the short review periods for 111(1)(b) permits such as yours, the Division of Reclamation, Mining and Safety (DRMS) typically receives comments from agencies we notify of applications in review after the comment deadline. The DRMS received comments from Colorado Parks and Wildlife (CPW), the Division of Water Resources (DWR), and the State Historical Preservation Office (SHPO). A copy of each of these comments are attached for your records.

If you have any questions or need further information, please contact me at (303)866-3567 x8169.

Sincerely,

Timothy A. Cazier, P.E.
