Revision No. SR-2**

Dear Mr. Beck,

On April 4, 2019 the Division of Reclamation, Mining and Safety approved the surety reduction request application (SR02). The Division has reduced the required warranty to \$252,213.00, this is a reduction of \$56,287.00 from the currently held surety amount of \$308,500.00.

Please provide a rider to the current Financial Warranty, or submit a new Financial Warranty reflecting this reduction. If you wish to submit a different type of Financial Warranty, please contact our office for the applicable form.

If you have any questions, please contact me.

Sincerely,

Jared L. Ebert
