Mr. Wilkinson:

The Division of Reclamation, Mining and Safety (Division) has approved your NOI Modification application (MD-1). MD-1 proposes an additional 51 exploratory drill holes, for a total of 53 drill holes authorized under this NOI.

The total amount of financial warranty set by the Division for this operation is \$10,400.00. This is an increase of \$8,400.00 over the \$2,000.00 currently held by the Division. The reclamation cost estimate is enclosed with this letter. The additional financial warranty amount of **\$8,400.00** must be submitted to the Division prior to commencing the drilling proposed through MD-1. Please note, the Division may terminate the NOI MD-1 application file if the financial warranty is not received within sixty days.

Please make arrangements with Barbara Coria at the Division of Reclamation, Mining and Safety Denver Office, phone no. 303.866.3567, ext. 8148 for submittal of the financial warranty. Any questions regarding completion, execution and/or submittal of the financial warranty forms should be directed to Barbara Coria.
