Re: Schubert Ranch Sand Resource, Permit No. M-2018-063;
Application Decision Date Extension Request No. 3 Acknowledgment

Dear Mr. Hastings:

On May 13, 2019, the Division of Reclamation, Mining and Safety (DRMS) received from Environment, Inc. via email, a request to extend the decision date for the Schubert Ranch Sand Resource 112c Application to July 16, 2019. The DRMS accepts this request.

(Note: the April 15, 2019 DRMS extension request acknowledgment letter indicated that was the fourth extension request. It was only the second request)
