RE: Pay Dirt, NOI # P-2010-019, Surety Release Request (SL-01), Approval

Mr. Allred:

On May 13, 2019 the Division of Reclamation, Mining and Safety (Division) received your request for release of reclamation responsibility for the above referenced site. On May 2, 2019 the Division issued Permit # M-2019-007 to Asteroid Explorations, LLC for the Kichelmann One site. The Kichelmann One permit area includes the area that was affected by your prospecting operations. Because the area affected by your prospecting operations is proposed to be re-disturbed and is now covered under Permit M-2019-007 and the associated financial warranty, the Division has determined that your financial warranty can be released. Therefore, the Division has approved the full surety release, SL-01, for your NOI# P-2010-019.

According to Rule 1.4.11(1)(b), the Division must wait 30 days from the date of this letter, before releasing the financial warranty, in order to address any comments or objections to this decision. If you have not received the financial and performance warranties by June 28, 2019, please contact Barbara Coria at (303) 866-3567, ext. 8148.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czapla
