Hello Mr. Claussen,

The Colorado Division of Reclamation, Mining and Safety is processing an application for a proposed mining operation in Adams County north of the town of Bennett, Colorado. The applicant is required to publish a notice regarding the proposed application in a newspaper of general circulation in the locality of the proposed mining operation.

The applicant (Albert Frei and Sons) has indicated they published the required notice in the Eastern Colorado News. Is this a newspaper of general circulation for the Town of Bennett and the surrounding area?

Thank you and please let me know if you have any questions,

Jared
