**Re: Notice of Modification (MD-01) Application Receipt, Red Cone, File No. P-2014-003**

Dear Mr. Burger,

On May 28, 2019, the Division of Reclamation, Mining and Safety (Division or DRMS) received the Sierta LLC Notice of Intent to Conduct Prospecting Operations (NOI) Modification (MD-01) application for the prospecting operation known as Red Cone, File No. P-2014-003. In accordance with the requirements of Rule 5.1.3, the Division posted the non-confidential form (Form 2) on the Office website on May 29, 2019. Any public comment or request for disclosure of information designated as confidential regarding the NOI must be received by the Office no later than ten (10) working days after the notice was posted on the Office website (June 13, 2019).

The Division considered your NOI application complete for the purpose of filing on May 28, 2019. In accordance with Rule 5.1.3(a), the Division will review the NOI application and will contact you within twenty (20) working days of the filing date (June 25, 2019) regarding any deficiencies or if the review indicates the proposed operations are considered to be mining, rather than prospecting.
