Re: Gray Pit #1, Permit No. M-2003-092, Administrative Extension, Revision No. SI-2

Dear Mrs. Green:

The Division of Reclamation, Mining and Safety wishes to express our condolences after hearing the news of Nick Gray's passing. This is undoubtedly a difficult time for the family. An administrative extension has been issued to allow the details of Nick's estate to be sorted out so that the proper documents can be executed in regards to the Financial Warranty Increase, SI-2. The documentation that will need to be executed will be an Affidavit of Authority and any supporting documentation and the completed Financial Warranty Certificate of Deposit forms. Both documents have been included in this letter.

The extension is for an additional sixty (60) days, the required documentation should be received by the Division's Denver Office by **Friday August 2, 2019**. If you have any questions, please feel free to contact me at the Division's Grand Junction Field Office, by phone at 303-866-3567 Ext. 8187 or by email at lucas.west@state.co.us. For questions specific to the legal documentation or Financial Warranty please contact Barbara Coria, the Division's Bonding Specialist in the Denver Office at 303-866-3567 Ext. 8148.

Sincerely,
