Hello Amy,

Thank you for sending through the Adequacy Review letter for TR-28. We are working through the responses and will have a document available for internal review shortly. With the decision date approaching, we would like to request an extension to the decision date to allow adequate time for the Division to review the responses. With this e-mail, we are requesting a two-week extension from June 8, 2019 to a new proposed decision date of June 22, 2019.

Please let me know if you have any questions or any issue with the request.

Regards,

Billy
