Re: San Luis Project, Permit No. M-1988-112, Technical Revision Approval, Revision No. TR-35

Dear Mr. Fiske:

On June 4, 2019 the Division received the required items to consider your Technical Revision complete and filed. On June 6, 2019 the Division **approved** the Technical Revision application submitted to the Division on May 17, 2019, addressing the following:

- *Discontinue sampling of M-4R and M-15, and decommission well M-15*

The terms of the Technical Revision No. 35 approved by the Division are hereby incorporated into Permit No. M-1988-112. Please note that Pursuant to C.R.S. 34-32-113(5.5)(d) and Hard Rock and Metals Mining Rule 5.7(1) a final abandonment report shall be submitted to the Division as an addendum to TR-35. The report should include at a minimum the date of completion, the location of the abandoned well, and a detailed description of the plugging, sealing and capping techniques used.

All other conditions and requirements of Permit No. M-1988-112 remain in full force and effect. If you have any questions, please feel free to contact me at the Division's Grand Junction Field Office, by Phone at 303-866-3567 Ext. 8187 or by email at lucas.west@state.co.us.

Sincerely,

Lucas J. West
Environmental Protection Specialist
