**Re: Elk Creek Mine (Permit No. C-1981-022) and Terror Creek Loadout (Permit No. C-1983-059)
Insurance Certificate**

Dear Mr Smith,

The Colorado Division of Reclamation, Mining and Safety (Division) has received copies of the certificates of liability insurance for the Elk Creek Mine and the Terror Creek Loadout. Both certificates were issued by Aon Risk Services, Inc. of Florida and show effective dates of June 1, 2019 through June 1, 2020.

The coverage of each policy is similar, and both satisfy the minimal requirements of Rule 2.03.9

Yours sincerely,

Leigh Simmons
Environmental Protection Specialist
