Re: Korinek #1 Pit, Permit No. M-1979-131, Technical Revision Approval, Revision No. TR-1

Dear Mr. McCuiston:

On June 19, 2019 the Division of Reclamation, Mining and Safety approved the Technical Revision application submitted to the Division on April 30, 2019, addressing the following:

Update the Mining Plan Map and Reclamation Plan Map to show the final configuration of the county lane, and increase the maximum allowed disturbed acreage from 10 to 15 acres.

The terms of the Technical Revision No. 1 approved by the Division are hereby incorporated into Permit No. M-1979-131. All other conditions and requirements of Permit No. M-1979-131 remain in full force and effect.

If you have any questions, please contact me.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
