RE: Climax Mine, Permit No. M-1977-493, Technical Revision (TR-30) Approval

Mrs. Kelts:

The Division of Reclamation, Mining and Safety (Division) has approved the Technical Revision request (TR-30) which was submitted on June 6, 2019, addressing the following:

Additional spoil/muck disposal area location for Mayflower Flood Bypass Tunnel Stage 2 Expansion

The terms of the TR-30 approved by the Division are hereby incorporated into Permit No. M-1977-493. All other conditions and requirements of the permit remain in full force and effect.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

Dustin Czapla

Environmental Protection Specialist
Division of Reclamation, Mining and Safety
