***RE: Colona Gravel Pit, Permit No. M-1994-005, Acreage Reduction Request (AR-01), DWR Comments***

Mr. Burkey:

On June 12, 2019 the Division of Reclamation, Mining and Safety (Division) received a comment letter (enclosed) regarding your pending request for acreage reduction (AR-01), for the Colona Pit permit area, from the Division of Water Resources (DWR). The comment letter states that your current substitute water supply plan will expire September 30, 2019 and that you will be required to obtain a new well permit. Please provide a response to the DWR comment letter demonstrating that United Companies will be in compliance with the DWR requirements. Please provide the response to me by June 21, 2019.

If you require additional information, or have questions or concerns, please contact me at the Division's Grand Junction Field Office.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dustin Czapla'.
