**Re: Water Sampling Extension Request Approval, May Day Idaho Mine Complex,  
Permit No. M-1981-15**

Dear Mrs. Glinatsis,

On June 18, 2019 the Division received your request for an extension of the required water quality monitoring program as required by your permit due to adverse weather conditions and extended snow pack. This notice is to inform you that your request has been **approved**. Please submit the required analytical reports as soon as conditions allow you to conduct the sampling and the results are available. This single sample will be suffice for the Q1 and Q2 results.

If you have any questions, comments or concerns please feel free to contact me at the Division's Grand Junction Field Office, by phone at 303-866-3567 Ext. 8187 or by email at [lucas.west@state.co.us](mailto:lucas.west@state.co.us).

Sincerely,

**Lucas West**  
Environmental Protection Specialist  
Division of Reclamation, Mining and Safety
