Thank you Christine,

The Division approves the extension request. The decision date for the Tuscon South AM01 application has been extended to July 31, 2019. Please let me know if you have any questions.

Thank you,

Jared

Hello Christine,

I wanted to let you know the decision date for the AM01 application is June 30, 2019. DRMS has not received a response to the first adequacy review. We will likely need to extend the decision date. If you could please request and extension to provide time to complete AI's response and enough time for the Division to review the application that would be very helpful.

Thank you,

Jared
