**Re: Dawson Gold Project, Permit No. P-2013-002;
Notice of Outstanding Corrective Actions**

Dear Mr. Felderhof:

On May 9, 2019 the Division of Reclamation, Mining and Safety (DRMS) mailed an inspection report requiring Corrective actions to two Problems: A) exploration trench backfill, and B) petroleum product spill. The Corrective Actions for both items were due June 10, 2019. To date the DRMS has not received demonstration of these Corrective Actions being completed. Please provide the required demonstration of completing these Corrective Actions by July 1, 2019. If more time is necessary to complete these Corrective Actions, please provide an extension request by July 1, 2019.

NOTE: The DRMS is aware of access challenges. Please also explain how you intend to obtain access to complete the required Corrective Actions in your response due July 1, 2019.

If you have any questions, please contact me.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
