Dear Ms. Yeldell:

**Re: Williams Fork Mining Company, Permit No. M-84-168
Update Sand and Gravel Pit Mining and Reclamation Plan, Technical Revision TR-07**

Please extend the review time for the above-captioned revision for a second time to July 31th, 2019. We are currently addressing the issues raised in the Divisions adequacy review and will need more time to address item #4.

Please contact me if you have any questions.

Sincerely,

Graham Roberts
Environmental Engineer
