**Re: Mask Ranch Pit #2, Acreage Reduction Approval, Permit No. M-2018-015, Revision No. AR-1**

Dear Ms. Schreiber:

On June 28, 2019, the Colorado Division of Reclamation, Mining and Safety **approved** your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 7.5 Acres through the release of 26.6 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees. Please be sure to submit the updated map with your required Annual Report due on May 16 of each year.

If you have any questions, please feel free to contact me at the Division's Grand Junction Field Office, by phone at 303-866-3567 Ext. 87187 or by email at [lucas.west@state.co.us](mailto:lucas.west@state.co.us).

Sincerely,
