RE: Half Moon Site, NOI # P-2015-014, Surety Release Request (SL-01), Approval

Dear Mayor Labbe:

The Division of Reclamation, Mining and Safety (Division) has approved your request (SL-01) for release from further reclamation liability for the Half Moon Site NOI. The Division inspected the site in August 2018 and found that there was no un-reclaimed disturbance at the site and that reclamation complies with the Reclamation Plan, Act, Rules and Regulations.

According to Rule 1.4.11(1)(b), the Division must wait 30 days from the date of this letter, before releasing your Performance Warranty, in order to address any comments or objections to this decision. If you have not received the Performance Warranty by August 13, 2019, please contact Gaby Benvenuti at (303) 866-3567, ext. 8148.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

Dustin Czapla
