RE: Colona Gravel Pit, Permit No. M-1994-005, Acreage Reduction Request (AR-01) Approved

Mr. Burkey:

On May 28, 2019 the Division of Reclamation, Mining and Safety (Division) received your request for release of further reclamation responsibility for the 36 acre portion of the Colona Pit permit area that is currently under ownership by Uncompahgre Holdings, LLC. Division staff inspected the site on June 18, 2019 and determined that the Operator has successfully completed reclamation of the property. Therefore the Division has approved your request to reduce the permit area by 36 acres, resulting in a remaining permit area of 37.9 acres.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dustin Czapla".
