Re: Cresson Project, Permit No. M-1980-244;  
Decision Date Extension Request No. 5 Acknowledgment, Revision No. TR-113

Dear Mr. Schaffner:

On July 11, 2019, the Division of Reclamation, Mining and Safety (DRMS) received via email a request to extend the decision date for Technical Revision 113 (TR-108) a fifth time to July 19, 2019 to allow CC&V to review the reclamation liability estimate calculated by the DRMS. The DRMS accepts this request, noting it as a continuance to the waiver to the 30-day review period for technical revisions pursuant to Rule 1.9.1.

If you have any questions, you may contact me at (303)866-8567 x8169.

Sincerely,

Timothy A. Cazier, P.E.  
Environmental Protection Specialist
