**Re: Incompleteness Notice, 110c Construction Materials Amendment Application (AM-02)  
Jamaco Pit, Permit No. M-2010-082**

Mr. Lundy:

On July 18, 2019, the Division of Reclamation, Mining and Safety (Division) received your 110 Construction Materials Amendment Application (AM-02) package for the Jamaco Pit, Permit No. M-2010-082. Preliminary review of the information received determined that the following items must be received before the Division can consider your application as being submitted/filed and technical review can begin.

**APPLICATION FORM:**

1. Items 5.1/5.2 On page one the incidental commodities to be mined was incorrectly filled out. Please indicate the type and volume of incidental commodities to be mined (5.1) or if no incidental commodities will be mined, please indicate "N/A" on 5.1 and "N/A" on the associated line on 5.2. Please submit a replacement page one of the application form.
2. Responsibilities. Question #10 on page five is initialed, since the permittee is a County Government the question does not require initials. Please indicate "N/A" for the question and submit a replacement page five of the application form.

**EXHIBIT A – Legal Description and Location Map (Rule 6.3.1):**

3. A legal description and an index map were not provided indicating sufficient information to determine the location of the affected land on the ground. Please provide a legal description and an index map that meets the requirements of Rule 6.3.1.

**EXHIBIT B – Site Description (Rule 6.3.2):**

4. A site description was not provided. Please provide a site description that meets the requirements of Rule 6.3.2.

Your 110c AM-02 application will not be considered submitted/filed until the information listed above is received and found sufficient to begin our review. Additionally, if you have already published notice you will need to republish notice, but only after the Division considers the application submitted; the Division will notify you when you should initiate publication of your notice. This notice must be published once, starting within ten (10) days of the date your application is considered submitted. The final date for receiving comments is the 10th day after the last publication or the next regular business day.

Pursuant to Rule 1.4.1(8), you have sixty (60) days from the date of this letter to submit all necessary documents that the Division needs for an application to be considered filed. If, at the end of the sixty day period, the application has not been determined to be filed with the Division, the Division may deny the application and terminate the application file. Should additional time be required to submit all the necessary documents an extension request can be submitted in writing for the Divisions consideration of extending the deadline.

**The response to this Incompleteness Notice is due on or before September 23, 2019.**

This letter shall not be interpreted to mean that there are no other completeness issues or technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.
