Louis and Nick -

As NECC has requested, the Division approves the extension of the decision due date for RN-07 to August 22, 2019. Please note that the information requested by the Division is to ensure that the permit is in compliance with the Rules and the Act. The Proposed Decision of the RN-07 application has now been extended six months past the original Proposed Decision date. It is imperative that NECC provide to the Division the information requested to ensure that the permit can remain in compliance.

Thanks for your attention to this matter.

Rob
