RE: Riverside Parkway, Permit No. M-2007-005 , Acreage Release (AR-1) Incomplete Request Notice

Dear Mr. Timothy:

The Division of Reclamation Mining and Safety received your request for an acreage release (AR-1) submitted on July 26, 2019 for the Riverside Parkway, Permit No. M-2007-005. A preliminary review of the information received determined that the following items must be addressed before the Division can consider the request filed and consideration can begin.

- There appears to be topographical error(s) in the acreages listed on your maps. The Division shows the permit boundary to be 14.7 acres, rather than the 15.2 acres listed on your map. This difference will influence the number of acres being released, verses remaining permitted. Please revise your request to coincide with the Divisions record of a 14.7 ac permit.

Please submit your response(s) to the above listed issue(s) by **Wednesday, August 28, 2019** in order to allow the Division sufficient time for review.

If you require additional information, or have questions or concerns, please feel free to contact me. Amy Yeldell at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203. Direct contact can be made by phone at 303-866-3567 Ext 8183 or via email at amy.yeldell@state.co.us
