RE: Williams Fork Pit, Permit No. M-1984-168, Technical Revision (TR-7) Extension Request Approval #3

Dear Mr. Luke:

On July 29, 2019 the Division of Reclamation Mining and Safety (Division) received your request to extend the decision due date. Additional time is needed to obtain a structure agreement. The Division is approving the extension request. The decision due date for TR-7 has been set for August 31, 2019.

Please submit responses the adequacy review #1 as soon as possible in order to allow the Division sufficient time for review. If any adequacy issues remain by the decision due date the Division may deny your request.

If you require additional information, or have questions or concerns, please feel free to contact me. Amy Yeldell at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203. Direct contact can be made by phone at 970-254-8511 or via email at amy.yeldell@state.co.us

Sincerely,

Amy Yeldell
