RE: Acreage Reduction, M-1979-191, Three Bells

Dear Ms. Eschberger:

On behalf of Martin Marietta Materials, Inc., please accept this letter as our request to withdraw the release of reclamation responsibilities for all of Three Bells Pit (791 acres).

Based on the SEO response, we will wait until after we file our last annual Substitute Water Supply Plan in December to account for the remaining lag depletions and then will submit the release request again.

Should you have any additional questions, please contact me at (970) 227-4041.

Sincerely,

A handwritten signature in blue ink that reads 'Julie Mikulas'.
