**RE: File No. M-2019-037, Ackerman Pit, 110c Decision Letter - Performance Warranty Request - for Construction Material Operations that do not Require a Financial Warranty**

Dear Ms. Brossman:

On August 8, 2019, after receiving emailed response to our July 15<sup>th</sup> adequacy letter the Division of Reclamation, Mining and Safety (DRMS) approved your 110c permit application.

Copies of agency comments the DRMS received from the Division of Water Resources and the State Historical Preservation Office are enclosed for your records.

No financial warranty was set by the Division for this operation. However, you must submit a performance warranty in order for us to issue a permit. We have enclosed a performance warranty form with this letter for your use. Please have the performance warranty signed by an appropriate official, notarized, and return it to us.

**PLEASE NOTE THAT MINING OPERATIONS MAY NOT COMMENCE UNTIL A PERMIT HAS BEEN ISSUED BY THE DIVISION AFTER RECEIPT OF YOUR PERFORMANCE WARRANTY. A PERMIT CANNOT BE ISSUED UNTIL WE HAVE VERIFIED THE ADEQUACY OF YOUR PERFORMANCE WARRANTY.**

If you have any questions, please contact me.

Sincerely,

Timothy A. Cazier, P.E.  
Environmental Protection Specialist
