DETERMINATION OF NOTICE EXTENSION REQUEST AND DECISION FOR REQUIRED FINANCIAL GUARANTEE AMOUNT

Dear Mr. Felderhof,

Your request to extend your Notice (COC-077472) for an additional two years with no modifications was received by this office on March 07, 2019. The BLM has reviewed the Notice to determine if it qualifies for an extension, that the operation will not cause unnecessary or undue degradation, and that all information required for a complete Notice has been submitted.

According to BLM's most recent inspection on March 20, 2019, all of your operations were found in compliance, and it appeared that the surface conditions observed were in accordance with those described in your Notice.

Amount of Financial Guarantee – BLM determined the operation's current financial guarantee, held by both BLM and the Colorado Division of Reclamation, Mining and Safety (CDRMS), in the amount of \$92,655 is still sufficient to meet all anticipated reclamation requirements. The amount of the reclamation cost estimate is based on the operator complying with all applicable operating and reclamation requirements as outlined in the Notice and the regulations outlined in 43 CFR 3809.420.

BLM's review of your extension request concerning the amount of the required financial guarantee does not relieve you, the operator, of the responsibility to comply with all applicable Federal, state, and local laws, regulations, and permit requirements. You are responsible for

preventing any unnecessary or undue degradation and for reclaiming all lands disturbed by your operations.

This review and determination does not constitute certification of ownership to any entity named in the Notice, recognition of the validity of any associated mining claims, or recognition of the economic feasibility of the proposed operations.

Term of Notice - Your Notice will remain in effect for 2 years from the date of this letter, unless you notify this office beforehand that operations have ceased and reclamation is complete. If you wish to conduct operations for another 2 years after the expiration date of your Notice, you must notify this office in writing on or before the expiration date as required by 43 CFR 3809.333. You will also have to submit an updated reclamation cost estimate at that time.

Appeal of the Decision Determining the Required Financial Guarantee Amount – Appeal of this Decision Determining the Required Financial Guarantee Amount can be pursued utilizing Form 1842-1 (attached).

If you have any questions, please contact Stephanie Carter at 719-269-8551.

Sincerely,

A handwritten signature in black ink, appearing to read 'KEB', is written over the typed name.

If you wish to file a petition for a stay of the effectiveness of this decision during the time that your appeal is being reviewed by the Interior Board of Land Appeals, the petition for a stay must accompany your *Notice of Appeal* (43 CFR 4.21 or 43 CFR 2801.10 or 43 CFR 2881.10). Copies of the *Notice of Appeal* and Petition for a Stay must also be submitted to each party named in this decision and to the Interior Board of Land Appeals and to the appropriate Office of the Solicitor (43 CFR 4.413) at the same time the original documents are filed with this office. If you request a stay, you have the burden of proof to demonstrate that a stay should be granted.

Standards for Obtaining a Stay. Except as otherwise provided by law or other pertinent regulations, a petition for a stay of a decision pending appeal shall show sufficient justification based on the following standards: (1) the relative harm to the parties if the stay is granted or denied, (2) the likelihood of the appellant's success on the merits, (3) the likelihood of immediate and irreparable harm if the stay is not granted, and (4) whether the public interest favors granting the stay.

Unless these procedures are followed, your appeal will be subject to dismissal (43 CFR 4.402). Be certain that all communications are identified by serial number of the case being appealed.

NOTE: A document is not filed until it is actually received in the proper office (43 CFR 4.401(a)). See 43 CFR Part 4, Subpart B for general rules relating to procedures and practice involving appeals.
