Re: Surety Bond Return Request. NOI – P-2015-021

Dear Mr. Elliot,

At this time I would like to rescind my request for a reduction in my Surety Bond for NOI-P-2015-021 and instead request a full return of those funds. Our current mining plan for M-2019-026 overlaps and includes all areas associated with the previous NOI. New bonding has been accepted by your office for this new plan.

Thank you. If you have any questions or wish any additional information I can be reached at the number below.

Sincerely,
