Re: West Elk Mine, C-1980-007
Insurance Certificate

Dear Ms Welt,

The Colorado Division of Reclamation, Mining and Safety (Division) has received a copy of the certificate of liability insurance for the West Elk Mine. The certificate was issued by Lockton Companies of St. Louis, MO, and shows effective dates of July 31, 2019 through July 31, 2021.

The coverage provided by the policy satisfies the minimal requirements of Rule 2.03.9

An endorsement on the policy allows for limited advice of cancellation to entities other than Mountain Coal Company, LLC., but doesn't affect the coverage or otherwise concern the Division.

Yours sincerely,

Leigh Simmons
Environmental Protection Specialist
