**RE: Bronco Plains Wind Farm; File No. M-2019-044; 110c Application;
Incomplete Application Notice**

Dear Mr. Cole,

On August 9, 2019, the Division of Reclamation, Mining and Safety (DRMS) received your 110c Construction Materials Reclamation Permit Application package for the Bronco Plains Wind Farm, File No. M-2019-044. The requisite application fee was received on August 15, 2019. Review of this application determined the following items must be received before the DRMS can consider the application as being submitted/filed and the technical review can begin. Please respond to this Incompleteness Notice with the requested additional/updated information on permit replacement pages and summarize each response in a cover letter titled "Incompleteness Response; M-2019-044".

APPLICATION FORM

1. P. 1, Item 1, Applicant/operator or company name. The company name must match that registered with the Colorado Secretary of State's Office. In this case "Blattner Energy, Inc.". Please resubmit page 1 of the application with ", Inc." following "Blattner Energy".
2. P. 2, Item 11, Inspection Contact. This was left blank. Please resubmit page 2 of the application with the inspection contact person's information added.
3. P. 7, Certification. As Blattner Energy is a corporation, this certification page is required to have a corporate seal (if the company has one) and be signed by the corporate secretary or equivalent. Please resubmit page 7 of the application with the corporate seal and the corporate secretary's (or equivalent) signature. If Blattner Energy does not have a corporate seal, please indicate as much.
4. Site Notice Affidavit. The affidavit indicating the notice sign was placed at the site provided with the application was not signed. Pursuant to Rule 1.6.2(1)(b), please provide a signed affidavit that the notice (sign) was posted according to the provisions of this Rule [*note: the Rule the notice be a minimum size of eleven (11) inches wide by seventeen (17) inches high, with appropriate font size, to clearly identify the site as the location of a proposed mining operation...*].

Your 110c Amendment Application will not be considered submitted/filed until the information listed above is received and found sufficient to begin our review. A decision date will be established 30 days from the date of receipt and acceptance of all of the requested information.

Pursuant to Rule 1.4.1(8), you have sixty (60) days from the date of this letter to submit all necessary documents that the DRMS needs for an application to be considered filed. If, at the end of the sixty day period, the application has not been determined to be filed with the DRMS, the DRMS may deny the application and terminate the application file. All corrected pages must also be provided to Cheyenne County Clerk & Recorder.

The response to this Incompleteness Notice is due on or before October 20, 2019.

This letter shall not be interpreted to mean that there are no other completeness issues or technical deficiencies in your application. The DRMS will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.

If you have any questions or need further information, please contact me at (303)866-3567 x8169.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tim A. Cazier", is written over a light blue rectangular background.
