**Re: Second Notice of Deficiencies and Bond Calculation MD01 P2014003**

Elliott:

In addition to SIERTA LLC's response by Robert Burger sent to you on August 7, 2019.

Item 10, We will follow the United States Forest Service (USFS) recommendation and stated update and re-seed as per document "USFS Seed Mix MD01 P2014003.pdf." The updated document has recipe including six species of grass with a dispersal rate of 25 lbs/acre.

Item 11, the updated total required financial warranty for the proposed prospect activities is now to be \$39,000.00. An increase of \$33,228 from the current \$5,772 bond held for prior NOI activities. The enclosed check for the remaining amount of \$33,228.00 is in this packet.

Also included is the updated Affidavit of authority and One Site Exploration bond on BLM forms.

If you have any questions, concerns, or need anything else to complete the work at your end, please contact Robert Burger at [r.burger@verizon.net](mailto:r.burger@verizon.net) or 412-818-5659.

Thank you and regards,
