Decision Date Extension Request*

Dear Ms. Eschberger,

J-2 Contracting Company has received the Division's Adequacy Review No. 1 comments letter dated July 10, 2019. We are addressing the comments and providing responses, however in order to provide the responses back to you and also provide time for you to review those responses there will likely need to be more time to complete the review.

J-2 Contracting Company would like to request an extension to September 16, 2019 to allow some more time to respond to the comments and provide sufficient time for you to review the responses and materials.

Thank you for your consideration of our decision date extension request. Please feel free to contact me with any questions or if you need additional information.

Sincerely,

J.C. York, P.E.
