Hello Joshua,

Just FYI, the Division issued a decision to approve the surety reduction request. The approval date was Friday August 23, 2019. This is a reduction to \$592,700.00. The Division's decision does not become final until after the close of a 30 day appeal period. This appeal period closes on September 22, 2019. After the appeal period closes you may submit either a replacement bond in this amount or a decrease rider to your current bond. Please let me know if you have any questions.

Thank you,

Jared
