Revision No. AR-4**

Mr. McDowell:

On August 28, 2019, the Colorado Division of Reclamation, Mining and Safety (Division/DRMS) approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to Tract A - 38.49 acres, through the release of Tract D - 38.16 acres in this permit action. Cottonwood Land and Farms, LLC remains liable for filing annual reports and fees since the permit is not fully release by the Division.
