Re: Yvonne Chambers Pit M-1979-075

Dear Amy,

During the February 2019 inspections of our Rifle complex it was discovered that the Yvonne Chambers pit had overlapping boundaries with the adjacent Chambers and Casey pits. This has been corrected (See TR-5).

Now, we are seeking full release of the site in 3 separate steps.

Step 1 – Withdraw previously submitted SL (Full Release)

Step 2 – Reduce the acreage from 53.10 (TR-5) by 28.67 acres, leaving 24.43 acres

Step 3 – Release remaining 24.43 acres

Please let me know if you need additional information or documentation.

Sincerely,

Jason Burkey
