Decision Date Extension Request*

Dear Ms. Eschberger,

Prowers Aggregate Operators, LLC. (PAO) has received the Division's Adequacy Review No. 2 comments letter dated August 8, 2019. We are reviewing the information you provided in regard to the addition of an overland conveyor system and culvert. We are continuing to work with Prowers County to come to a resolution on the road improvements and culvert crossing being permanent improvements.

PAO would like to request an extension to September 30, 2019 to allow some more time to respond.

Thank you for your consideration of our decision date extension request. Please feel free to contact me with any questions or if you need additional information.

Sincerely,

J.C. York, P.E.
