Hi Jared and Eric,

I have reviewed the revised SWSP for the Brownwood, Kirtright and Challenger and currently I was able to finalize the plan only for the Brownwood and the plan was sent to the division office for review and comments. For the Kirtright and Challenger I am still need additional information from Peter on the Hill & Brush Ditch water right that is proposed to be used as replacement water in both plans. I will keep you informed on the status as soon as I clarify my questions. Best Regards,
