**Re: Dawson Gold Project, Permit No. P-2013-002;  
Corrective Action Resolved**

Dear Mr. Felderhof,

On September 10, 2019 the Division received documentation demonstrating the exploration trenches have been backfilled and will be seeded this fall from Environmental Alternatives Inc. via email. Both the corrective actions stemming from the March 20, 2019 inspection are now considered resolved.

If you have any questions, please contact me at (303) 866-3567, ext 8169.

Sincerely,

Timothy A. Cazier, P.E.  
Environmental Protection Specialist
