**RE: Cooley Reservoir & Fulton Wildlife Area, Permit No. M-1999-034
Annual Report and Map**

Dear Sir or Madam:

This letter is submitted by upload as additional information in response to Item 23 of the Division's on-line annual report form for permit year ending in 2019.

During the 2019 report period, there were no changes to the operation since reported in the 2018 Annual Report other than the following.

- Plant demolition is underway along with partial site restoration
- City of Thornton is making repairs to the Cooley West reservoirs from the 2015 flood damage

If you have any questions please feel free to contact me or Andre Laroche, Land and Environment Manager, Aggregate Industries – WCR, Inc., at andre.laroche@aggregate-us.com / 719-491-0288 cell.

Best regards,
