Amy –

Attached is a letter we received today from the Prowers County Commissioners. The letter states that the County is considering the roadway improvements for the conveyor system to be permanent and will not need to be removed. Please let me know if this takes care of the adequacy review comments for the conveyor system and if we need to provide a decision date extension request or if you will have time to provide us feedback prior to the September 30th decision date.

Re: Permanent Improvements to County Road HH.5

Dear Mr. Nyquist:

On behalf of Prowers County, Colorado, this letter confirms that the improvements associated with the reconfiguration of Prowers County Road HH.5, and specifically the culvert and roadway improvements for the conveyor system for Prowers Aggregate Operators, LLC, as described in the June 12, 2019 application to Prowers County, Colorado for a Special Use Permit submitted by Prowers Aggregate Operators, LLC, are considered permanent improvements by Prowers County, and will not need to be removed.
