***RE: Weimer One Gravel, Permit No. M-2001-002, Financial Warranty Reduction Approval,
Revision No. SR-3***

Mr. Reams:

On September 23, 2019 the Division of Reclamation, Mining and Safety approved your request for a financial warranty reduction. The updated required financial warranty amount set by the Division is \$20,500.00. This is a reduction of \$31,115.00 from the \$51,615.00 currently in place. This decision reduces the amount of the financial warranty only, and does not approve any release of reclamation responsibility.

Please provide a rider to the current Financial Warranty, or submit a new Financial Warranty reflecting this reduction. If you wish to submit a different type of Financial Warranty, please contact our office for the applicable form.

If you have any questions, please contact me.

Sincerely,
