Re: West Farm Pit, Permit No. M-2008-078, Approval of Technical Revision No. 5 (TR-5)

Mr. Nyquist:

On September 26, 2019, the Division of Reclamation, Mining and Safety (Division) approved your Technical Revision No. 5 application (TR-5) submitted to the Division on June 21, 2019, addressing the following:

Addition of an overland conveyor system and revision of the required financial warranty to reflect the reclamation of the conveyor system.

The terms of the Technical Revision No. 5 approved by the Division are hereby incorporated into Permit No. M-2008-078. All other conditions and requirements of Permit No. M-2008-078 remain in full force and effect.

If the revised bond amount exceeds the bond amount currently held (see below), please submit the additional required bond. The revision will not be final until the bond is approved by the Division.

Bond Amount Held: \$1,849,793.00

Revised Bond Amount: \$1,881,294.00

Additional Bond Required: \$31,501.00

For questions regarding submittal of the financial warranty, please contact Gabriel Benvenuti by telephone at 303-866-3567, ext. 8148, or by email at gabriel.benvenuti@state.co.us.

For any other questions, you may contact me by telephone at 303-866-3567, ext. 8129, or by email at amy.eschberger@state.co.us.

Sincerely,

Amy Eschberger
