Dear Mr. Collins,

On October 2, 2019 the Colorado Division of Reclamation, Mining and Safety increased the current Financial Warranty required for this permit to \$2,860.00, in accordance with Rule 4.2.1 of the Rules and Regulations. This is an increase of \$1,860.00 from the currently held \$1,000.00. Please see the September 12, 2019 inspection report for details regarding why this surety increase is required.

The Division ordered amendment of the current Financial Warranty, or submittal of a new Financial Warranty reflecting this increase is due by **December 2, 2019**. If you wish to submit a different type of Financial Warranty, please contact me such that I may send you the applicable form.

The Permittee for this site may be scheduled for a Formal Board Hearing for possible revocation of the permit after **December 2, 2019**, if the amount of any increased Financial Warranty has not been provided.
