Re: DPG Pit, File No. M-2019-028, 112c Application Decision Letter, Financial and Performance Warranty Request - Construction Materials Operation

Mr. Leone:

On October 3, 2019, the Division of Reclamation, Mining and Safety (Division) approved your 112c reclamation permit application submitted for the DPG Pit.

The amount of financial warranty set by the Division for this operation is \$984,566.00. You must submit a financial warranty in this amount and a performance warranty (form enclosed) in order for us to issue a permit. Please select a type of financial warranty from Rule 4.3, then contact our Financial Assurance Specialist, Gabriel Benvenuti at 303-866-3567, ext. 8148 so we can provide you with the appropriate form. The financial warranty forms and performance warranty form are also available at our website: <https://mining.state.co.us>.

Additionally, as agreed upon during the application review, in lieu of submitting 100% of costs for installing the Phase 1 slurry wall, you must submit proof that sufficient water rights have been dedicated for long-term replacement of evaporative depletions resulting from the proposed groundwater exposure.

PLEASE NOTE THAT MINING OPERATIONS MAY NOT COMMENCE UNTIL A PERMIT HAS BEEN ISSUED BY THE DIVISION AFTER RECEIPT OF YOUR FINANCIAL WARRANTY, PERFORMANCE WARRANTY, AND PROOF OF SUFFICIENT DEDICATED WATER RIGHTS. A PERMIT WILL NOT BE ISSUED UNTIL WE VERIFY THE ADEQUACY OF THESE DOCUMENTS.

If you have any questions, you may contact me by telephone at 303-866-3567, ext. 8129, or by email at amy.eschberger@state.co.us.

Sincerely,

Amy Eschberger
Environmental Protection Specialist

PERFORMANCE WARRANTY

Permittee/Operator: _____

Operation known as: _____

Permit Number: _____

This form is approved by the Colorado Mined Land Reclamation Board (“Board”) pursuant to C.R.S. 34-32-117 of the Colorado Mined Land Reclamation Act and C.R.S. 34-32.5-117 of the Colorado Land Reclamation Act for the Extraction of Construction Materials.

All parties are on Notice from this Document that:

The above listed Operator provides this warranty to the Board in conjunction with a reclamation Permit to conduct the above described mining operation on certain lands in Colorado. The “Affected Lands” are described in the above listed reclamation Permit, and include any Permit Amendment(s) approved by the Division of Reclamation Mining and Safety (“Division”).

The Colorado Mined Land Reclamation Act, C.R.S. 34-32-101 *et seq.* (“Hard Rock Act”), and the Colorado Land Reclamation Act for the Extraction of Construction Materials, C.R.S. 34-32.5-101 *et seq.* (“Construction Materials Act”), both require a permit issued by the Board to include a written promise by the Operator to comply with all requirements of the Hard Rock and Construction Materials Acts (referred to herein together as “Acts”).

Through the terms and conditions of this performance warranty and Permit, the Operator agrees to be bound by all requirements of the Acts and all Mineral Rules and Regulations of the Board for Hard Rock, Metal, and Designated Mining Operations (2 C.C.R. 407-1) and all Mineral Rules and Regulations of the Board for the Extraction of Construction Materials (2 C.C.R. 407-4) (referred to herein together as “Rules”).

The Operator hereby provides the Board warranties of performance pursuant to C.R.S. 34-32-117(2), (3), and (4)/C.R.S. 34-32.5-117(2), (3), and (4), and promises the Board it will comply with all applicable requirements of the Acts and Rules.

The Operator hereby promises the Board it will comply with all of the terms of the reclamation Permit, including any Permit Amendment(s) approved by the Division. This performance warranty obligation of the Operator shall continue until the Operator’s liability is released by the Board.

The Operator promises to be responsible for reclamation costs up to the amount established by the Board and incorporates its financial warranty to this performance warranty. The Operator agrees to maintain a financial warranty (or warranties) in good standing for the reclamation costs for the entire life of the

Permit. The amount of the financial warranty shall be sufficient to assure the completion of reclamation of affected lands if the Division has to complete such reclamation due to forfeiture. If the Board determines the Operator is in default under this performance warranty and the Operator fails to cure such default, the Operator's financial warranty shall be subject to forfeiture pursuant to C.R.S. 34-32-118/34-32.5-118.

This performance warranty by the Operator is perpetual and shall remain in full force and effect until all obligations have been met and all associated financial warranty is released by the Board. Any release of liability in a succession of Operators shall comply with C.R.S. 34-32-119/34-32.5-119.

The provisions hereof shall bind and inure to the benefit of the parties hereto and their successors and assigns.
