Review of 2019 DMRs: March through June, including quarterly reports

Dear Mr. Bear:

Bowie Resources, LLC (BRL) has submitted Discharge Monitoring Reports (DMRs for CDPS Permit CO0044776) to the Division for the months of March, April, May, and June. The Division has also received reports for the First Quarter and the Second Quarter of 2019. Thank you for the timely submittal of these reports.

No discharges were reported for the second quarter (April - June), but discharges were reported in March for outfalls 001A and 005A. No exceedances of effluent limits were observed in these discharges, and no further information is required by the Division for these reports.

Sincerely,
